

## Satellite Installation

### Homeowner's Agreement To Terms And Conditions

In consideration of the homeowner's ability to access the common area for the purpose of installing a communications device e.g. satellite dish, the homeowner agrees to schedule the installation through the designated Los Olivos property manager and only use the designated satellite installer for installation and service.

The homeowner further acknowledges that failure to do so will result in the removal of the illegally installed satellite dish and the homeowner will be responsible for all charges incurred including, but not limited to, service charges, structural damages, and fines incurred as a result of the improper installation.

It is further acknowledged that the homeowner is fully responsible for any illegally installed communications device e.g. satellite dish that is connected in any way to his unit including devices ordered by a tenant without his knowledge.

I hereby agree to the above terms and conditions:
